

PROGRESJA PRODUCTION AND HOSPITALITY RIDER

Access and parking

Full address:

Street: Fort Wola 22

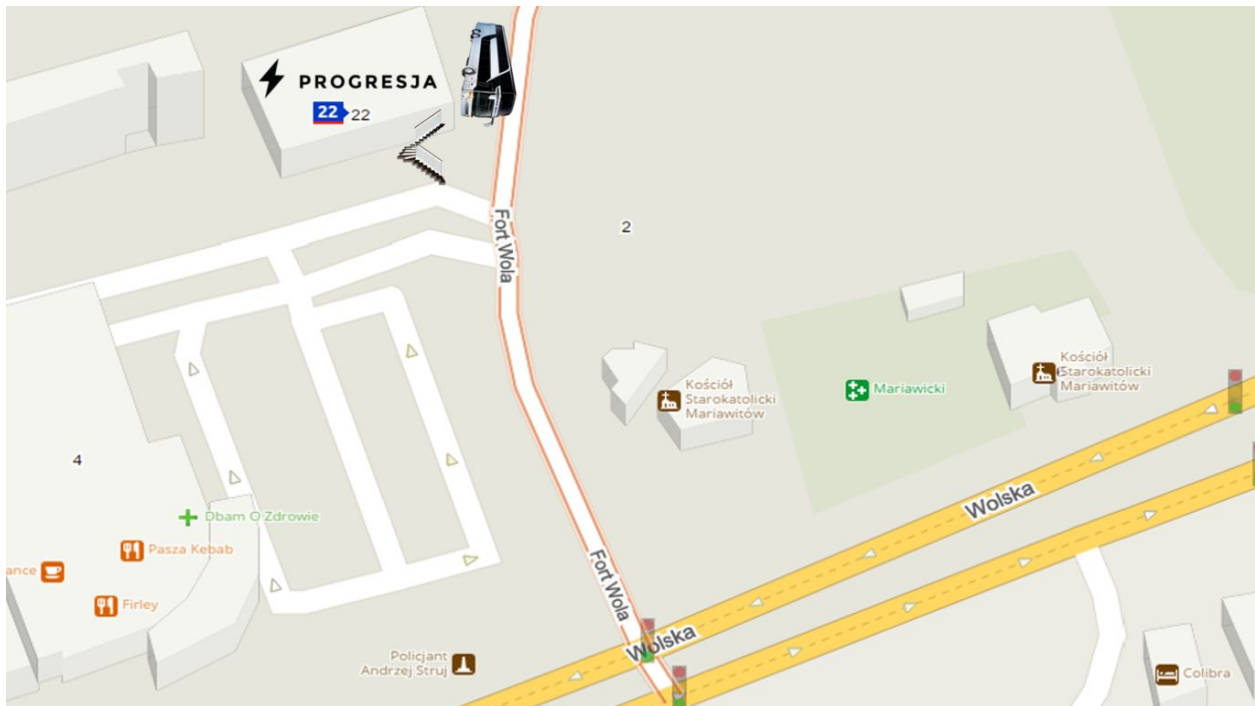

Postal code: 01-258

City: Warsaw

Country: Poland

GPS: 52.224783, 20.928785

General parking position (for the nightliner or bus): At the East side of the building, along the street and the pavement (see the map). If the production demands more than one bus/nightliner – we can reserve a park space in front of the building, but please advise.

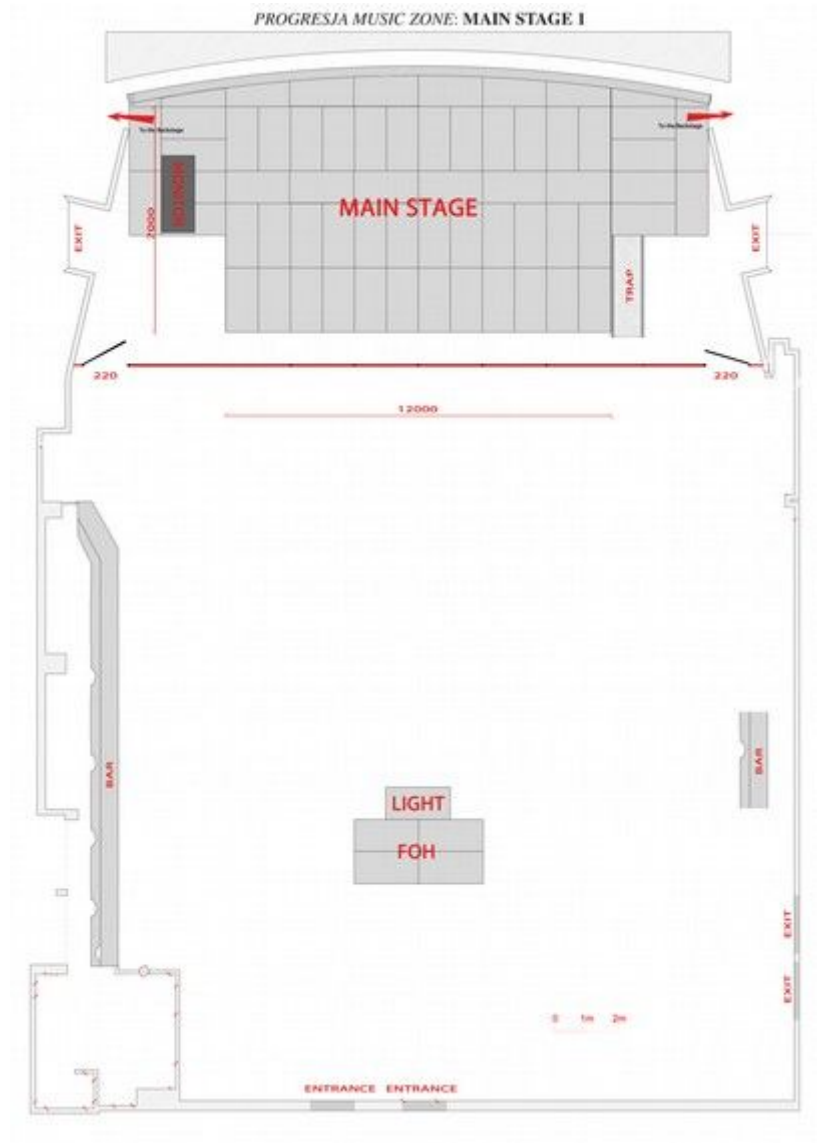

Power for the bus: 32A CEE. Power socket is located by the backstage entrance doors in grey box. Please advise if you need other power type.

Water supply for the bus: Yes, but ask our technicians to lead the pipe to the bus.

Load-in/Load-out: Stage and the concert hall is located on the first floor of the building. NO ELEVATOR !!! The only load in way is through the stairs outside the building (shown on a map). Please advise if you have a heavy gear – this case the number of loaders should be increased.

Concert Hall

There is two bars on the main concert hall. Please advise if the bar lights should be dimmed or turn off during the performance.

FOH position: movable, usually on the 2/3 length from stage to the back wall.

Barricades: Mojo type. Movable.

Merch area: On the lobby in front of the main concert hall, near the entrances. Tables, chairs, lighting, hangers available.
